User Maintenance – Profile Updates

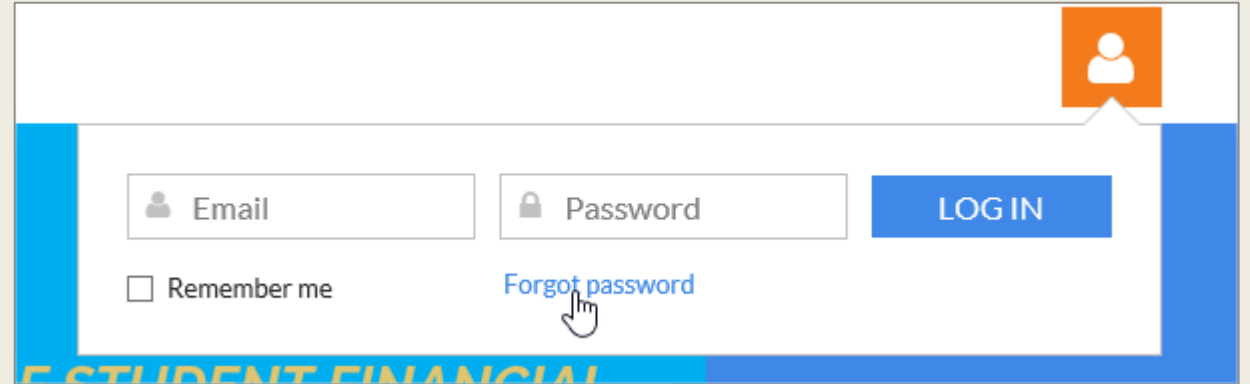

New User or Change of Password

If this is the first time you have logged into the OASFAA site or have forgotten your password, click here to have it reset.

Each user has his or her own password, so this is all up to you!

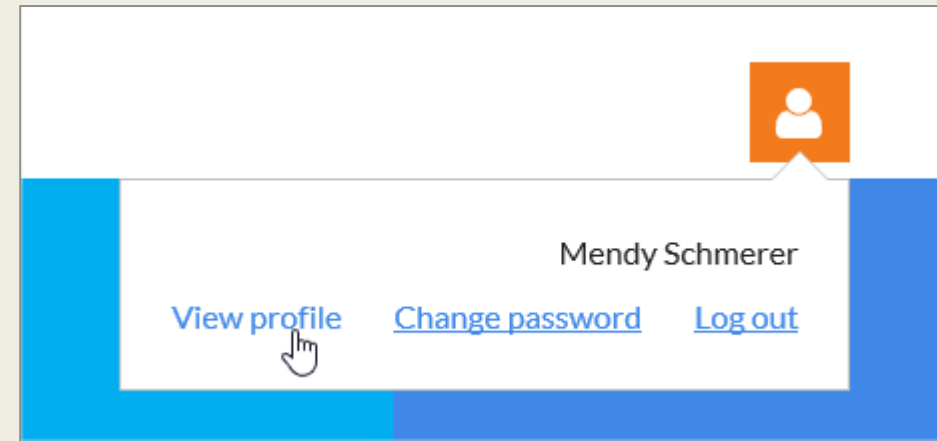

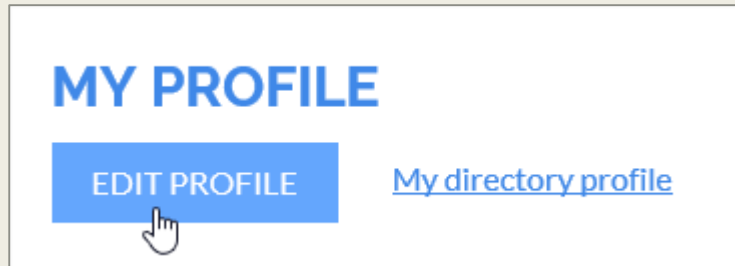

You will receive an email (check junk/spam) with a link to reset your password.

The screenshot shows the login interface for the OASFAA website. It features a white background with a blue header and footer. In the top right corner, there is an orange square icon containing a white person silhouette. Below this, there are two input fields: 'Email' with a person icon and 'Password' with a lock icon. To the right of these fields is a blue 'LOG IN' button. Below the 'Email' field is a checkbox labeled 'Remember me'. Below the 'Password' field is a blue link labeled 'Forgot password' with a hand cursor icon pointing to it. The footer contains the text 'ESTUDENT FINANCIAL' in yellow and blue.
